Senior Class Officers

We are the Seniors! ... How proud we are to at last be called Seniors, to be able to wear a class ring, and being honored at the Jr.-Sr. Through the year we are looking forward to the last day of work, every one thinks that Seniors do as they please but we work right up to senior week. The bright spots of the year are the Senior Play and the Jr.-Sr. Prom, also we are hoping to visit Washington, D. C. As we look back over our school career the Senior year will stand out as the one we remember.

Fixing a float for Homecoming, presenting the Jr. play, planning and decorating for the Jr.-Sr. Prom; ... And all this under the fine leadership of Everette Coffey- President, Darryl Moffitt- Vice President and Billy Joe Compton- Secretary-Treasurer.

We are the Sophomores! ... Starting our year with the election of officers who are Dickie Foster- President, Betty Jane Marshall- Vice President, and Ethel Kelley- Secretary-Treasurer, we got off on the right foot. We have learned to behave ourselves (we hope), study hard (that's a laugh), but we still enjoy living. Although we don't have a special project just wait 'til next year and watch our smoke.

Freshman Class Officers

We are the Freshmen! ...Although we felt big at being in high school our bubble soon burst. After we had made the usual mistakes and were informed that Freshmen were supposed to be the dumbest on earth (in high school that is) we learned of the ways of high school. To carry the burden of our newly acquired problems we elected Larry Teague- President, Wayne Johnson- Vice President, Jimmy Terrell- Treasurer and Joyce Sherrill- Secretary.
